**SCHOOL OF MUSIC**  
**MUA 299 PIANO PROFICIENCY EXAM REQUIREMENTS**

I. **TECHNIQUE:** Scales and arpeggios must be played using correct fingering and tempo. In the exam, scales and arpeggios will be selected randomly.

A. Scales: All major or harmonic minor scales, hands separately, two octaves ascending and descending, ♩ = 80, performed in eighth notes.

B. Arpeggios: All major, minor, dominant 7<sup>th</sup>, and diminished 7<sup>th</sup> arpeggios, hands separately, two octaves ascending and descending, ♩ = 80, performed in eighth notes.

II. **HARMONIZATION:**

A. With one week of preparation, harmonize a melody provided by the Class Piano Coordinator. Chosen accompaniment texture should include diatonic chords, and secondary function chords may be used if deemed appropriate. Right hand will play the melody; left hand will provide the accompaniment pattern. A blocked chord accompaniment **will not** be considered acceptable.

B. At sight during exam, harmonize a given melody in any major or minor key. The accompaniment should include diatonic chords, and secondary function chords may be used if deemed appropriate. Right hand will play the melody; left hand will provide the accompaniment pattern. A blocked chord accompaniment will be considered acceptable for this portion of the exam.

III. **TRANSPOSITION:**

A. Transpose the *at sight* harmonization example (IIb). Be prepared to transpose both the melody and accompanying chords to a key of the examiner's choosing. The transposition will be within the range of up or down a major third from the original key.
